# **Memo Novice Of Internet Commerce**

In the next 5 minutes we will discuss the most notorious frauds on the Internet, as well as most types of low-income, earnings! After reading this article, I hope that you will be wary of such traps, quit work to sponsor and begin your most profitable form of income online!

I think that many of you have once in your life, using a long period of time the mailbox received some letters (usually in English):

That some action was kind of a draw of prize money, etc. etc.

Your mail by special selection was a winner!

I am often in such way ``win`` 100 000 \$ 500 000 \$ or even \$ 1 million.

The letter asks you to contact your designated "attorney" which will continue to clean out your brains! You will be asked to meet his work, of course, before he will start his activities!

These frauds are known in Europe under the companies involved in sports betting, games, etc. The name of this firm is DE LOTTO.

I sent the request for the interest in the very firm DE LOTTO, and of course, was told that it they have never been and will not do!

So DO NOT BELIEVE AND BE ALERT!

Now let's talk about Internet casinos

Initially, the program is configured to income not only you, but its owner!

Although online casino are more or less honest, but very few of them!

Have you ever seen sites offering to buy generator Webmoney, a program to "intercept» Webmoney and other illegal actions on the e-currency?

Do not believe !!!!!!! Such does not exist!

Yes, and the service Webmoney, will unlikely provide such an opportunity to cut all sorts of impostors, there all too seriously ...

The proposal to send money to the purse, and get a 2, 3, 4 ... 10 times more - BAM! It is still enrolled in the network different articles about what a person was deceived in this way for a decent amount... Next offered purses, for which this misguided people constantly are sending a certain amount and return to it with interest! Do not listen, do not read, do not pay attention to this nonsense!

Offer to buy the hacked express payment cards, etc.

Do not even try to communicate with it

And lastly, one universal rule!

It's about a sponsors but their meaning is not in earnings but in ADVERTISING!

Yes, they provide an opportunity for viewing the site to make money, but only EARNINGS can not be named, judge for yourself what it means for a thousand sites you visit you set aside one buck!?

Remember, in order to earn, you need a particular product rather than air in the form of any of the "keys" and "status"!

Any online business has the right to receive [internet marketing](#). Find out how lots of people are building web traffic now - this is part of Internet marketing strategy for successful Internet marketers shown on this [free traffic](#)
