# **The Inside Secret to Why Network Marketing will ALWAYS work!**

Some people believe that network marketing really doesn't work. To put it lightly, they're **WRONG**. I am going to take the next few minutes to explain to you why network marketing will always work so that the next time someone takes the time to tell you that network marketing doesn't work you explain to them how misinformed they truly are.

Here is why Network Marketing will **ALWAYS** work:

Even in a strong economy people will **ALWAYS** need supplemental income:

The truth is most people live pay check to pay check. They aren't able to buy the nice things that they want for themselves and their families. There is and will always be a constant **DEMAND** for more money. Network marketing is a simple, part time and low risk way for full time workers to fill this need. To put it simply, as long as people need money network marketing will **ALWAYS** be there to fill that need.

People will **ALWAYS** want freedom from jobs they don't enjoy:

Despite what you may think, there are people out there that truly don't enjoy their job. They go to work because they have to and not because they want to. [Network marketing](#) offers a promise of true financial freedom. The ability to leave the 9 to 5 working world. This freedom will **ALWAYS** be to tempting to pass up.

People will **ALWAYS** want more free time to do with as they please:

Did you know in a past poll conducted by Money magazine that 64% of American men and 68% of American women polled said that if they had a choice between more money and more time off they would choose the time? People covet their free time. Network marketing offers the promise of working from home and making your own hours. Again, the opportunity to create free time will **ALWAYS** draw people to network marketing.

Conclusion:

As long as people crave time, money and freedom [network marketing](#) will **ALWAYS** exist.

The next time that someone tries to tell you that network marketing doesn't work you know that they couldn't be more wrong.

All you have to is ask your accuser 1 of 3 questions:

Do you want more money?

Do you want freedom from your job?

Do you want more time?

I guarantee they will answer yes to one of these questions. When they do they will have proved exactly why network marketing will always work!

Resource Box:

Over \$225,000 added to your bottom line and 4,120 people added to your downline in just 14 months is nothing to sneeze at. Yet, this 25-yr old "unknown" rookie network marketer claims he can show any knuckle-head how to repeat his results. And thousands already agree. And if \*you\* don't agree that his SYSTEM is the quickest and laziest way to build your network marketing business, then you get double your money back.
